

**Mercy Ridge
Residents Council
Meeting 2024-06-06**

Report Subject: Library Committee

Report By: George Wright, Liaison

Long-time committee member Margaret Steinhagen will be leaving the committee. Evelyn is considering replacement candidates.

The committee's survey of residents' library usage and preferences has been finalized. About 66% of apartments will get a copy by May 10, to be returned by May 24. Circulation statistics will be compiled during that period.

Operations continue as usual.

- Mystery continues to be the most active.
- Newspaper pilferage continues to be a problem, especially sports/crossword sections.

The committee is aware of several petitions circulating among residents about possible changes both to the McAuley library and to the Shannon second floor library. Hall reps will be asked to discuss the issues at hall dinners.

The next meeting will be July 2.
