

A wing is a vertical section of a building. Liffey and Shannon wings are each shaped like the letter “Y”. Each of the three branches of the “Y” (stem and two arms) is a wing. A hall is one hallway on a floor of a wing. Mercy Ridge has 408 apartments on 38 halls in seven wings as follows.

- Liffey has three wings.
  - A Wing has 32 apartments on the four halls of floors three, four, five and six. Apartments are numbered thirteen through twenty.
  - B Wing has 40 apartments on the four halls of floors three, four, five, and 6. Apartments are numbered 21 through 30.
  - C Wing has 65 apartments on the six halls of floors two, three, four, five, six and seven. Apartments are numbered one through twelve.
- Killarney D Wing has 45 apartments on the five halls of floors one, two, three, four, and five.
- Shannon has three wings.
  - E Wing has 77 apartments on the six halls of floors two, three, four, five, six, and seven. Apartments are numbered one through fourteen.
  - F Wing has 65 apartments on seven halls of floors one, two, three, four, five, six, and seven. Apartments are numbered fifteen through 24.
  - G Wing has 84 apartments on the six halls of floors two, three, four, five, six, and seven. Apartments numbered 25 through 38.
